# The Great Creatore and His Band Will Be Here On the Seventh Day of the Redpath Chautauqua

SINCE the days when we followed our first circus parade, to the pulse-stirring strains of the uniformed band sitting aloft in their gilded, palatial wagon drawn by prancing horses, we have never quite lost the magic thrill which always returns when we hear the rousing strains of a good band.

Creator is one of the greatest band leaders our country has ever known. When the well known Italian leader first came to this country he was a veritable sensation. Dramatic, picturesque in his directing, and cyclonic in his intensity and a revelation of musical energy, he was a marvel of emotional possibilities. He quickly be-

came the rage. Creator's genius lay, not only in his singular ability to impart to his men the contagion of his vivid emotions, but also in his unusual mastery of instrumentation. From the shrill call of the cornet to the thunderous roar of the kettledrums every instrument is in perfect harmony. Some one has rightly styled the result

as a "Sublime Festival of Harmony." Classic and popular music alike bring thrills of delight to every hearer. The program is sufficiently varied to please the diversified tastes of the great crowds which turn out to hear this celebrated leader. Before the climax the audience reaches a high pitch of enthusiasm.

"At the end of one of his concerts," says the Boston Globe, "the audience refused to disperse and, after Creator had been called out a half dozen times, he got his band together and repeated 'The Star Spangled Banner' with an accompaniment of musical fireworks that sent everybody home in an exalted state of mental elation." Creator's

appearance at the Panama Exposition proved a similar sensation. Creator and his band come here on the seventh day of the big Redpath Chautauqua program. Creator will direct his band only at the evening performance. The concert of the afternoon will be led by the assistant director.
